

MEMBERSHIP CERTIFICATION

I certify that all swimmers and divers listed on the 2011 BCSEA Swimming and diving roster are bona fide members or employees of the following pool _____.

A bona fide member has a regular stock membership, yearly membership or a special swimming team membership to the pool. Any special swim team membership for the child should entitle the child to the same swimming privileges as a regular member. Paying a daily guest fee or a fee to the swim team with no other swimming pool privileges does not qualify as a bona fide member.
